

OPERATION HUNGER

Update as on 01 July 2020

From the desk of the General Secretary.

Monthly Food Supplies home-delivered to more than 10,000 Families and Meals distributed to many thousands of people facing acute hunger.

Dearly beloved,

Operation Hunger continues to deliver vital food, provisions, and essential supplies to thousands of families across our country. Our teams of brave young workers have made hundreds of trips across many a rough terrain braving inclement weather, logistical challenges, and other hurdles to deliver yet another month's supply of essential food and provisions to desperately needy families in 25 states of India.

In these grave and challenging times, we are filled with hope and gratitude to the Lord when we see young people from all over our country stepping up ready to face the challenges of providing vital supplies to the poor, the needy, the hungry and the hopeless. We are humbled by this gesture and continue to applaud their courage and dedication to serve a cause greater than themselves ensuring that **Operation Hunger** continues to positively impact several major needy communities in India.

With a grateful heart, we are glad to report that **Operation Hunger** has hand-delivered essential food and provisions to **10769 families to their homes**. This model of home delivery of essential supplies reduces the risk of community transmission of diseases and all our deliveries are made after obtaining permission from the concerned Government authorities.

How you can participate in Operation Hunger?

As the number of COVID-19 cases continues to rise with lockdowns in several States and Cities, every one of us has the opportunity to partner in the work of this blessed mission of supplying food and provisions to the poor and needy among us. We remain committed to our goal to **support the poor, needy, and helpless with basic food provisions as long as this sheer need exist till the end of this unprecedented pandemic.** You can partner in this project 'Operation Hunger' in the following ways:

Pray

When we started this exercise of distributing food & provisions to needy families, we expected a single lockdown period that would last for 21 days. However, the lockdown period has more than multiplied and continues to be in effect.

- For the millions of poor, hungry, destitute people who struggle in want of food on a daily basis.
- For our front-line volunteers who travel to busy and remote areas to deliver food baskets.
- For the Lord's mercy on our land and people and that this deadly pestilence may cease.
- For the requisite permissions from concerned authorities so that no hindrance may occur in the sm
- For serving the people in distress and to stay steadfast in our duty for continuing to cater to our suffering brethren.

Contribute

Dear Brothers & Sisters, if you have a burden for these suffering people and if you would like to financially partner in this blessed ministry, we welcome you to take this opportunity to be a part of this mission. Interestingly, a large group of people—some out of their abundance and others out of their lack—have generously contributed to meet this great need. Irrespective of whether they belong to the ‘have’ or to the ‘have-not’ category, all our donors are able to relish the joy and contentment which results from selfless giving.

Our heartfelt gratitude goes out to all our dear ones who have wholeheartedly invested in this blessed project of feeding thousands of needy families plunged into near-starvation having lost their jobs due to the lockdown.
